Form Approved OMB No. 2070-0060

GENERIC DATA MATRIX

Date: 7/17/19		EPA Reg. No./File Symbol: 95337-		Page 1 of 2	
Applicant's/Registrant's Name & Address: CR Brands, Inc. c/o Delta Analytical Corp., 12510 Prosperity Drive, Suite 160, Silver Spring, MD 20904		Product: Volcano			
Ingredients: Citric Acid					
Guideline Reference Number	Guideline Study Name	MRID Number	Submitter	Status	Note

CHEMISTRY:

--	----------------------	----	----------------

Notes:

1. Product chemistry Part B data requirements are addressed for the technical grade citric acid. The data cited is taken directly from the Citric Acid RED and the Citric Acid Final Registration Review Decision Document (see pages attached). According to EPA's Citric Acid Final Registration Review Decision of 2009 (Case 4024), product chemistry data requirements have been fulfilled for the active ingredient citric acid and no additional generic data is needed.
2. According to the Citric Acid RED of 1992, EPA waived 40 CFR Part 158 data requirements for reasons discussed in section III; which states that the Agency does not believe generic data beyond those data required to satisfy basic product identity and chemistry questions are necessary. According to the Citric Acid Final Registration Review Decision Document of 2009, the Agency has determined that no additional generic data is required to support the registration of citric acid. See pages attached.
